Prospective Parents
Registration Disclosure**

As a prospective parent of Valley Christian Academy, we would like make available to you participation in the TRIP program. As you know, TRIP is a program whereby you purchase certificates cards to be used at local stores and merchants with a rebate. The rebate percentage is then credited to your VCA TRIP account at a rate of 75% and to operating costs for the remaining 25%. We then transfer the accumulated credits each May and December from your TRIP account directly to your tuition account at VCA.

As a prospective parent, you do not yet have a tuition account. Therefore, your credits would simply accumulate until your student entered the school. Once your student entered the school, your credits would be transferred on the first regularly scheduled transfer date, in either May or December.

If for some reason your student **does not attend enroll at VCA**, your accumulated credits would simply be transferred to the **VCA Tuition Assistance Fund**. At no time would you receive cash out of your TRIP account if you were unable to use the credits to offset your tuition.

To participate in the program, you simply need to do the following:

1. Sign and return this form to the school business office indicating that you understand the procedure for handling tuition credits for prospective parents.
2. Sign and return the standard VCA TRIP Registration Form to the school business office.
3. You may then place your first order and you will receive an account number from the TRIP program administrators with your first order.

If you have any questions, please feel free to contact the school office. Thank you.
