Curriculum

The curriculum of Valley Christian Academy's pre-kindergarten is based on the understanding that children learn by doing, so we provide a hands-on approach to learning. It is guided by the Houghton Mifflin Pre-K curriculum to provide academic structure of reading, writing, math, science, and social studies.

We aim to guide children through learning experiences where they will explore, observe, reflect, and problem solve. These learning experiences are aligned with the Ohio Early Learning Content Standards for proper growth and development in preparation for kindergarten and lifelong learning. The children will also be involved in our Fine Arts Program, which includes Library, Music, and Gym.

Bible Program

Our Bible program involves a Scripture of the Month, which provides a theme for weekly Bible stories. Biblical principles will be weaved into our daily practices, as the children are encouraged to exemplify and develop Christ-like character.

Daily Schedule

The pre-kindergarten schedule is flexible but structured to provide enough predictability for the children. The typical pre-kindergartener's day will include:

8:15-8:30 Sign-in/Handwashing

8:30-8:40 Fine Motor Activities

8:40-9:00 Morning Prayer and Opening Group Time
