Lunchroom Information from the Business office and Kitchen:

We want you to know that we are very aware of the need to offer a balanced lunch to the students, and it is our desire to do so.

The lunch program at VCA is optional and provided for the convenience of our families. It would be ideal if we had the means to assure that students make the best choices, however it is not possible with the amount of time and staff we have. Therefore, we must leave it to the parents' directives for their children.

We strive to plan our menus with nutritional value and variety.

Salads are available every day of the week, and we plan a balanced meal for every Special. Wednesday Pizza Day is a student favorite, on Fridays, a Special will be available that will consist of a choice of soup and salad or sandwich, and on Mondays the Specials vary. Pasta Day is provided only once each month because of the amount of time and work it involves.

Daily, we make available a variety of healthy snacks and a variety of snacks that are nutritionally dense.

It is imperative that you as the parent direct your child to pick the snacks of your choice.

With limited time to serve the students to assure that they have sufficient time to eat, the VCA staff will suggest, but will not mandate the student's choices.

We are very mindful of costs above tuition.

VCA does not make any profit on the lunch program. Prices are set to cover only the cost of the food and the wages of the kitchen staff.

Microwaves are available.

VCA does have microwaves available for students. Please note that there are many students...we greatly appreciate your help to accommodate everyone by not sending in too many items, or items that take more than a minute to reheat.☺

We consider it a privilege to serve you and your children.

If you have any questions, please contact us.

We also welcome you to come in and enjoy lunch with your child(ren) at any time.

We need **volunteers** to help in the lunchroom each day. If you'd like to get on the schedule (for any amount of days) or have any questions about volunteering in our lunchroom, please contact Mr. Meurer or Mrs. Gatten at tmeurer@valleychristian.com or lgatten@valleychristian.com.
