Please complete and submit this survey by the above due date. This is a means of communicating your classroom needs to your Primary Room Coordinator (RC) for the school year. Your RC will prepare sign up materials for the needs that you specifically request.

Please be as **specific** as possible and rank your activity request from 1-10 (-1- being the most important need to fill). Please keep in mind that the amount of help may be limited, so if you do not need assistance in a certain area, leave it blank. Also indicate whether siblings are welcome or not by listing 'yes' or 'no'.

Please help your Room Coordinators on the evening of Open House by emphasizing the importance of volunteer sign ups that evening.
