

TEACHER SURVEY (For 2016-17 School Year)

TEACHER'S NAME – Mrs. Haggerty

RETURN/EMAIL TO:– Jackie Wendl

Please complete and submit this survey by the above due date. This is a means of communicating your classroom needs to your Primary Room Coordinator (RC) for the school year. Your RC will prepare sign up materials for the needs that you specifically request.

Please be as **specific** as possible and rank your activity request from 1-10 (-1- being the most important need to fill). Please keep in mind that the amount of help may be limited, so if you do not need assistance in a certain area, leave it blank. Also indicate whether siblings are welcome or not by listing 'yes' or 'no'.

Please help your Room Coordinators on the evening of Open House by emphasizing the importance of volunteer sign ups that evening.

FIELD TRIPS Any special requests? no

CLASS PARTY INFORMATION

Any party food preferences? Food that can be easily handed out and that avoids the students' food allergies. This year, we have dairy and nut allergies.

Type of activities/games/devotions? I would like a craft, snack, devotions, and a game at each party.

Specific party requests for:

- * *Thanksgiving*
- * *Christmas*
- * *Valentine's Day (Elementary only)*
- * *Easter*
- * *Year End*
- * *Other* I would like to have little parties throughout the year when the kids earn them as a class (e.g., cookie parties, ice cream parties, icee parties) that will just be about ½ hour long. I'm envisioning they might earn them once a quarter. I would also like to have a treat after our class chapel in October.

OTHER NOTES, IDEAS OR REQUESTS

Student Birthdays:

What time of day would you like the treat brought in?

Most kids like to bring the treat into school with them in the morning, and we will save it to eat it at our afternoon snack time around 1:45pm. Another good time to bring in a treat would be at the end of the day—2:40pm-ish—if the parent/guardian would like to be there during the birthday treat. (Please advise parents of food allergies)

Do you want advance notice from the parents?

It would be nice, but not required 😊
