

Valley Christian Academy Our Churches

Big "CHRISTIAN" and Big "SCHOOL"

We make no "bones" about it . . . we are a CHRISTIAN school. We are evangelical, believing that God provides eternal life through Jesus Christ and that we are called to live in obedience to His Word. We are also a SCHOOL committed to high quality academics.

In the world of Christian schools, there are basically two kinds: independent and church-related. We are considered an independent school because we are not overseen by or directly connected to any one particular church.

While there tends to be more families from the larger churches, overall there are over 45 churches represented by the families in our school community. It is our desire that every family be part of a local congregation where God's Word is preached and where everyone is involved in Christian fellowship and ministry.
