# THE VCA BOWL-A-THON – THERE'S NO TIME TO SPARE!

January 16, 2018

Dear Parents:

**SATURDAY, FEB. 24, 2018  
NORTH WOODS LANES  
10:00 AM – 1:00 PM**

I love the Bowl-a-thon because it brings children, parents, and teachers together for some fun as we support the school. I hope you'll be part of this fun event, and I appreciate everyone who has already been a part of the Fall Fundraiser. This year, we've already brought in over **\$8,350** from that event! Now it is time for our 16<sup>th</sup> annual Bowl-a-thon—our **second tuition-supporting** fundraiser of the year!

This year, we must raise **\$11,000** net with our Bowl-a-thon to support our operating budget (last year we were able to raise **\$13,553**). I know we can top that this year! Please help your child get some sponsors so that we can raise what we need. If every family would get \$100 in sponsors, we would raise over **\$11,700**. It would be great to raise \$13,000 to put some extra in the budget. Once again, I'll be bowling with the faculty at 11:00 am so come to get a good laugh.

**We are returning to North Woods Lanes.** Here are the specifics:

- Students can bowl at one of three time slots
- Students are encouraged to get sponsors, per pin or for a flat donation.
- We've set a goal of raising an average of **\$100 per family**.
- Remember, you or sponsors can support VCA with your **online donation**. Even if your child is unable to actually bowl, we would appreciate your support.
- There will also be plenty of prizes to reward everyone's hard work. Like every year, our all **school participation prize** will involve my hair! If we reach our **goal of 60% student support/participation (108 students)** in the Bowl-a-thon, my hair AND Miss Telepak's will be a **CRAZY COLOR** for a day after the Bowl-a-thon results are tabulated!!!

This packet is filled with important information and forms. Take a moment to look them over:

- ❖ **Sponsor Envelope:** used to record the names of those sponsoring your children and the means for turning in the money. (Very important details!)
- ❖ **Registration/Volunteer Forms (yellow) & Registration Envelope:** please let us know you're coming! And moms and dads can help in many ways and still be part of the fun!
- ❖ **Information Sheet:** giving all the details of the day **AND the prizes** (on the back).
- ❖ **Sponsor Slip/Email:** get some long-distance sponsors by using our Sponsor Slips or utilizing the email option! Contact friends and relatives who are far away; promise them a picture if they'll be a sponsor. Parents, please help students utilize the slips effectively. (Remind them that they can go online to give their support donation!)

Parents, we also need **volunteers** as Lane Captains and photographers on Bowl-a-thon day! Read the Volunteer Form (bottom of the Student Registration form) for how you can help! Be sure to go to the **[www.valleychristian.com](http://www.valleychristian.com)** and click on the BIG EVENTS! tab for details and to download any of the above forms.

Gotta "split,"

Dale Moncrief, Administrator

**LET'S ALL GET  
IN THE GAME  
AND HAVE  
SOME FUN!**
