

What if . . .

The VCA Endowment Fund could:

- ◆ Upgrade teacher salaries?
- ◆ Provide scholarships for students?
- ◆ Finance new playgrounds and sports fields?
- ◆ Enhance technology and others programs?

Let's work together
and find out!

Living gifts and legacy gifts comprise the total giving strategy and we need to educate folks that living gifts help store up treasure in heaven. They also enrich the lives of others and allow us at times to see the fruits of God's work using the wealth He's blessed upon us. When donors find out how they can accomplish this as well as provide for the future security of their family energy and purpose is infused into the process.
